

International Investment Conference 'LITHUANIA IS OPEN FOR BUSINESS'

15-16 May, 2017. Vilnius, Lithuania

On the 15th of May **Europe Business Assembly** together with **Go Vilnius** – the official tourism and investment promotion agency of Lithuania held the International Investment conference **'LITHUANIA IS OPEN FOR BUSINESS'**. Aiming at introducing members and partners of EBA from 15 countries to the great economic and cultural potential of the European Union country, the event provided an overview of investment possibilities and business immigration opportunities of Lithuania in general.

The conference was opened with welcome speeches from **Linas Kvedaravicius**, Deputy Mayor of Vilnius and **Heinz Wehrle**, CEO, Investment Promotion Programme, Oxford (UK), Managing Partner, 'Horwath HTL Switzerland-Global' (Switzerland).

The working session provided a digest of key note presentations dedicated to the 'Investment Benefits of Lithuania as the EU Country'. The participants were introduced to the initiatives and legal procedures for business immigration to EU Country, pros and cons of opening a company and doing business in Lithuania. Within the working session agenda leading regional company from Lithuania and overseas presented business activities, achievements and international collaboration opportunities.

Amongst them there were such world-known brands, as Kutahya Porselen Sanayi A.S., Turkey (PORCELAIN TABLEWARE MANUFACTURING), EIKA Group, Lithuania (REAL ESTATE DEVELOPMENT), Tempo Hotel Bucharest, Romania (HOSPITALITY), Palmers Green International Limited, Ghana (ENGINEERING & CONSTRUCTION), Eric Ebo Acquah, Managing Director, Blue Rose Limited, Ghana (REAL ESTATE), Álvaro Julião Massingue, Entrepreneur, General Manager, Consul of Lithuania in Mozambique, Eric Seddy Kurortse, CEO, First Sky Ltd, Ghana (CONSTRUCTION). All the delegates got an advantage to be introduced and to network during a matchmaking round table.

The Special medical session of 'The Best Medical Practice Project' became a hallmark of the conference agenda. Moderated by President of the European Medical Association (Belgium) Dr. Vincenzo Costigliola, it provided a specialized

platform for the best home medical centers to present themselves and to meet colleagues from healthcare and complementary medicine sectors. The Public Institution Centro Poliklinika from Vilnius, Lithuania demonstrated its innovative technical and professional potential having provided a key note presentation and the expert visit to the facilities for the conference participants.

The conference ended with a special networking gala reception from organizers and the presenting of EBA attributes to recognize business, academic and professional achievements of the international community members.

The cordial congratulations and a big gratitude for all participants and organizers with the successfully held function and we do hope that the conference will provoke new business ideas and lucrative cooperation opportunities.
